(MANAGEMENT SOLUTIONS)

“The best executive is the one who has sense enough to pick good men to do what he wants done, and self-restraint to keep from meddling with them while they do it.”

— Theodore Roosevelt

Management is act of getting people together to accomplish desired goals and objectives using available resources. Much of what managers do is solve problems and make decisions. Decision making is a key role of a manager and leader. Some managers find this to be one of the most difficult tasks to perform. They have a fear of failure and procrastinate mainly because they have a lack of structure approach. one of the two things usually happens, they either put-off making the decision in the hopes that someone else will bail them out, or even worse, make a decision using knee jerk reaction. If you are such kind of manager then this event for you.....
