

Dr. B. Vishnu Vardhan

Professor & Vice-Principal

Computer Science & Engineering

- Designation** : Professor of CSE & Vice-Principal
Department : Computer Science & Engineering
Qualification : M.Tech, Ph.D
Years of Experience : 22 Years
Area of Interest : Data Mining, Data Security, Information Retrieval System, Cloud Computing, etc.

►Profile

Dr. B Vishnu Vardhan is presently working as Professor in CSE at JNTUH college of Engineering Manthani, Peddapalli.

Headed Department of IT of JNTUH CE Nachupally between 2010 to 2014. He has completed his M. Tech from Birla Institute of Technology, mesra, Ranchi in the year 2001 and completed his Phd from JNTUH in the year 2008. Having 18 years of teaching experience, presently he is guiding 12 research scholars in the area of Information retrieval and other elite areas. One student submitted thesis from JNTUH. One scholar awarded with Ph.D from JNTUH in 2015 and the title of the Thesis is "Region specific Crop Yield Analysis Using Data Mining Techniques" His areas of interest are Linguistic processing, Data mining, Natural language processing, Information security and other elite fields of Engineering. He has Published papers in reputed Journals such as ACM Transactions on Asian Language and Information Processing (TALIP), Taylor and Francis based Journal of Information & Optimization Sciences WSEAS Transactions on Computers and Published 5 InderScience Journals papers and other papers were published in IEEE, Springer, Elsevier and scopus Indexed . He is the Chairman, Board of Studies for Computer Science during 2014 to 2016, for Sathavahana University, karimnagar. He was an Active member in Free Software Movement in India. He has completed Government of AP funded project worth 5 lacks from Ministry of IT on localization activity. As a co investigator completed another UGC funded project worth 9 lacks. He has evaluated 4 theses from the universities like Osmania, Acharya Nagarjuna university. Visited Singapore and Presented paper in an International conference ICAEE in 2014 He has more than 50 papers in international Journals and conferences. Editorial and Technical board member for International Conference of Managing Information Technology (CMIT-2014) Zurich, Switzerland, Third International Conference on Signal, Image Processing and Pattern Recognition (SPPR 2014)Chennai, Third International Conference on Information Theory (IT - 2014) Pune and Technical board member in International Conference on Advances in Electronics Engineering, ICAEE 2015 South korea. Reviewer for many International Journals like CSC Journals, IET Journal. Technical member for International Journal of Information and Electronics Engineering IJIEE.
